### **After Parking:**

**\*\* Be sure to buy a parking permit at the kiosk (\$1.00 per hour) and place it on your dashboard \*\***

Building 500 is directly south of Ignacio parking. You can enter through the loading dock facing Ignacio. Go straight down the hallway to the elevators. The passenger elevators are on the opposite side of the freight elevator. Take the passenger elevator to the 2<sup>nd</sup> floor. Turn to your left and go through the double doors and you will see Scott at the Reception Desk.

**Do not take the elevators on the side of the hallway as they will not open on the 2<sup>nd</sup> floor.**
